**RUGER® MARK II**  
AUTOLOADING PISTOLS  
STANDARD, TARGET, GOVERNMENT TARGET,  
COMPETITION AND 22/45 MODELS

All parts orders for the **MARK II** pistols should be sent to: Sturm, Ruger & Co., Inc., Parts Department, 200 Ruger Road, Prescott, AZ 86301, 520-778-6555. Payment in the form of a check, money order, Visa or MasterCard must accompany your order. Credit card orders must include the account number, expiration date, and whether it is a Visa or MasterCard account. We cannot comply with open account or C.O.D. requests. Minimum parts order is \$1.00 plus a \$3.50 shipping and handling charge. Order parts by part name and part number and include the entire serial number of the firearm for which the parts are being ordered. The price shown for parts does not include the minimum net labor charge of \$20.00 plus \$20.00 shipping and handling if parts are factory fitted. All factory fitted parts are fitted on an exchange basis only. We will not return the replaced parts. The charge for metal refinishing is \$50.00 plus a \$20.00 shipping and handling charge. Custom gunsmithing service or nonstandard alterations are **NOT AVAILABLE**.

Because it is a serial-numbered component, the Automatic Pistol Barrel-Receiver Assembly is defined as a “firearm” by Federal Law and is not sold as a separate component. The Barrel-Receiver of the Ruger Mark II autoloading Pistol is an integrated assembly, therefore, the barrel alone is not available as a separate component part.

Some parts are available in blued steel only or stainless steel only and are used on all models. A few components (for example, grip panels) are the same for blued and stainless models.

Design, specifications and prices are subject to change without notice. The Sturm, Ruger & Company “LOGO” and “RUGER” are registered U.S. trademarks.

**STURM, RUGER & Company, Inc.**  
**Southport, Connecticut 06490 U.S.A.**

▲ Ruger Accessories should be ordered through a Ruger Distributor. Refer to booklet B1 for a list of Distributors. Refer to booklet B2 for a list of Parts Source. For a complete list of Ruger Accessories refer to booklet A1.

### WARNING—PARTS PURCHASERS

It is the purchaser's responsibility to be absolutely certain that any parts ordered from the factory are correctly fitted and installed. Firearms are complicated mechanisms and IMPROPER FITTING OF PARTS MAY RESULT IN A DANGEROUS MALFUNCTIONING, DAMAGE TO THE FIREARM AND SERIOUS INJURY TO THE SHOOTER AND OTHER PERSONS. The purchaser and installer of parts must accept full responsibility for the correct adjustment and functioning of the firearm after such installation.

**PARTS MUST FIT CORRECTLY**

# RUGER® MARK II EXPLODED VIEW

**Note A:** The Bolt Stop components in this group are for holding open the bolt and are not functionally related to the Bolt Stop Pin (A00100) and Bolt Stop Pin Pivot (A02602). These two later components are attached to the Mainspring Housing (A00900). See parts drawing below for relationship of parts.

Front and rear sights for the Target Models are not adaptable to Standard Models.

# RUGER® 22/45 EXPLODED VIEW

**Note B:** The Bolt Stop components in this group are for holding open the bolt and are not functionally related to the Bolt Stop Pin (A00100) and Bolt Stop Pin Pivot (A02602). These two later components are attached to the Mainspring Housing (AP00901). See parts drawing below for relationship of parts.

Front and rear sights for the Target Models are not adaptable to Standard Models.
